**Wondershare Youtube Downloader For Mac**

We reserve the right to limit you to a free trial or advertise a paid service and prohibit the combination of free trials or other promotional offers. You represent and warrant that you: (1) are not a Prohibited Party identifying any export exclusion lists of the Government (see e.g.); (2) not re-execute or use the Services to transfer software, technology or other technical data to prohibited parties or countries; and (3) not use the Services for any military, nuclear, missile, chemical or biological weapons use, or perform any other activity related to the Services that are in violation of US export and import laws. This policy applies to brands, websites, apps, advertising services, products, services, or technologies (collectively, we call these services). You can use this app to download videos from YouTube to your Mac. YouTube videos for your portable iDevice convert and format them for playback. Your Mac uses the built-in FLV player. In addition, not all features may be available if the user you are communicating with uses a different version of the services or uses third-party software.
